- **Available collections on all other returned checks**

Check sales account for over 50% of all non-cash payments at the point-of-sale and Non Sufficient Funds (NSF) Checks continue to plague businesses. Fortunately, United Bank Card has partnered with EZCheck check services and is offering an easy and convenient way to collect on all NSF checks with no cost to you.

A Simple Process

No equipment is needed to utilize this service, simply post EZCollect notices at the point-of-sale location and write your EZCheck ID number on the front of your collected checks before depositing. Your bank will then forward returned checks to EZCheck for electronic collections on all NSF items. The checks that clear are then reimbursed to you for the full face value.

FREE Service

With our NSF check service, EZCheck will collect the money owed to you from the NSF check and reimburse you for the full amount of the check. This benefit is provided to you free of charge with your United Bank Card merchant services contract!

Additional Collection Services

You can also protect your business from returned checks that are not NSF. If you choose to take advantage of this option, EZCheck will attempt to collect **all** returned checks. Any checks collected under this program are reimbursed to the merchant at 65% of face value.

Take Advantage of This Offer Today

Don't let Non Sufficient Funds checks impede your business. With United Bank Card's EZCheck collection service, you can increase your sales by offering your customers a liberal check acceptance policy and enjoy the peace of mind from the knowledge that you will be reimbursed for all collected NSF checks.
